The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
H-307 The Capitol
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the **Cambridge Rescue Fire Company Replacement Engine Project** in fiscal year 2025. The entity to receive funding for this project is the City of Cambridge, Maryland located at 410 Academy Street Cambridge, MD 21613. The purpose of this funding is to support the purchase of a new fire engine for the Cambridge Rescue Fire Company

The project is an appropriate use of taxpayer funds because it will allow the Cambridge Rescue Fire Company to replace its oldest fire engine, currently 12 years past its service life, to provide for a more efficient emergency response. This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read "Andy Harris".
