The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
H-307 The Capitol  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the **Town of North East WTP-Finished Water Pump Station Project** in fiscal year 2025. The entity to receive funding for this project is the Town of North East, Maryland located at 106 S Main St, North East, MD 21901. The purpose of this funding is to support the relocation of the Rolling Mill Finished Water Pump Station and construction of a new facility.

The project is an appropriate use of taxpayer funds because it will allow the Town of North East to better protect the town's finished drinking water supply from severe storm events. This project has a Federal nexus because it is for the purposes authorized in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family

Sincerely,

A handwritten signature in blue ink that reads "Andy Harris, M.D." followed by a period.
