The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the **Swan Meadows Water and Sewer Public Infrastructure Project** in fiscal year 2026. The entity to receive funding for this project is The City of Aberdeen, MD located at 60 North Parke Street, Aberdeen, MD 21001. The purpose of this funding is to support the replacement and improvement of approximately 8,200 linear feet of water main and 9,800 linear feet of sanitary sewer and associated installation materials throughout the community of Swan Meadows.

The project is an appropriate use of taxpayer funds because it will allow the City of Aberdeen to replace over 80 year old critical infrastructure for the historically underserved neighborhood of Swan Meadows. The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Andy Harris, M.D." in a cursive style.
