Ranking Member  
House Committee on Appropriations  
H-307 The Capitol  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the **Construction of New Millington Wastewater Treatment Plant project** in fiscal year 2026. The entity to receive funding for this project is the Board of County Commissioners of Kent County, Maryland located at 400 High Street, Chestertown, Maryland 21620. The purpose of this funding is to support the construction of a new relocated wastewater treatment plant in Kent County, Maryland serving the Town of Millington.

The project is an appropriate use of taxpayer funds because it will allow for the replacement of the existing plant which is over 60 years old and far beyond its useful service life. This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family

Sincerely,
