The Honorable Rosa DeLauro
Ranking Member
House Committee on Appropriations
H-307 The Capitol
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the **Newark Water Treatment Plant Replacement Project** in fiscal year 2026. The entity to receive funding for this project is the County Commissioners of Worcester County, Maryland located at 1 West Market Street, Snow Hill, MD 21863. The purpose of this funding is to relocate the outdated treatment plant and construct a new replacement at the site of the connected elevated storage tank.

The project is an appropriate use of taxpayer funds because it will provide enhanced water treatment capabilities for the community and provide a reliable source of clean, domestic water that meets or exceeds current drinking water system design standards. This project has a Federal nexus because it is for the purposes authorized in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
