Dear Chairman Cole and Ranking Member DeLauro,

I am requesting **\$3,290,123** in funding for the **Dorchester County Rehabilitation and Replacement of Wastewater Pump Stations Project** in fiscal year 2027. The entity to receive funding for this project is Dorchester County, Maryland located at 501 Court Lane Cambridge, MD 21613. The purpose of this funding is to support the replacement of six county-owned wastewater pumpstations.

The project is an appropriate use of taxpayer funds because it will provide for the replacement of pumpstations that have been identified by an EPA-funded Preliminary Engineering Report as high risks to public health and the environment if they are not rehabilitated or replaced. The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Andy Harris, M.D." in a cursive style.
