Dear Chairman Cole and Ranking Member DeLauro,

I am requesting **\$3,375,000** in funding for the **Greensboro Volunteer Fire Department New Fire Station Project** in fiscal year 2027. The entity to receive funding for this project is The Greensboro Volunteer Fire Department located at 116 North Main Street, Greensboro, MD 21639. The purpose of this funding is to support the construction of a new 5-bay fire station.

The project is an appropriate use of taxpayer funds because it will allow the fire department to meet growing operational and administrative needs of the department and the rural community of Greensboro, ultimately providing for a safer and quicker emergency response. This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink that reads "Andy Harris, M.D." with a stylized flourish at the end.
